Green Apple Map has info on eco-cultural NYC. = free copies, or see greenmap.org/nyc. LoMap is a "close-up" view of the Green Apple! Youth are also charting their own neighborhoods and making Green Mapsthat show places & issues they care about, as seen at greenmap.org.

96 Two Bridges Community Center
286 South St. 212-349-4122

An important place for kids because they help you do your homework and people won't get into fights. The best time to go is in summer. ◆ H-9

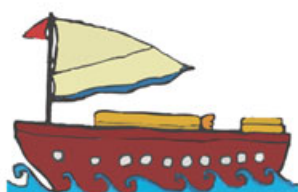

97 Bialystoker Synagogue
7-11 Bialystoker Pl. 212-475-0165

Historical as a site on the Underground Railroad. This beautiful synagogue was a originally a Methodist church.

98 Green Triangle
Bet. Henry St. & Madison Ave.

Greenstreets' environmental triangle has a lot of pretty trees that are at their best in spring and summer. ◆ H-9 Greensteets is a Parks Dept project. 2001 sites in NYC were de-paved & planted by the end of Year 2001!

Volunteers of all ages are needed. Call 800-201-PARK. Or learn to care for our street trees: Trees NY, 212-227-1887

Wish List

LoMap shows what's in NYC now. Participants also told us about their hopes and visions for Lower Manhattan's future. They want:

- more gardens, green schoolyards & open space to hang out in
- more waterfront access & boating opportunities
- less corporate advertising, more murals & art in the streets
- less traffic, more bike lanes & human-powered mobility options
- more after-school eco-activities, including recycling & city farming
- more composting & smart ways to reduce NYC's daily pile of garbage
- less asthma with clean-air power plants & transportation
- less over-development so families can always live downtown

Help make this Wish List a reality. Get involved!

Nature Spots Lugares Naturales 自然生態區

Community gardens are cultivated by neighbors. ♥ used to be empty lots, today they provide many social, eco & cultural benefits to NYC! Our Garden District has more than 50 ♥. Everyone can help, so dig in & grow a ✨!

.... Lanes for 🚲 in the street. Ride safely: wear a helmet (required if you are 14 or under), use a bell & light. A sturdy 🚲 is less attractive to thieves. Lock it up! Free 🚲 Maps at NYC Dept of City Planning Store, 22 Reade St. or call 212-CALL-DOT. Bring your 🚲 on the subway & explore distant parks & beaches!

Good Food Comida Buena 健康食品

Only a few healthy 🥕 and 🍎 were nominated for LoMap, but NYC has many! Try a felafel instead of a slice, dog or burger. Check vivavegie.org or earthsave.org for veggie info. mothers.org provides facts on organic vs conventional produce.

Special Places Lugares Especiales 特別的地方

NYC is the cultural capital of the US, and downtown is the epicenter! Explore & expand your mind! Most museums have some free admission hours each week: ny.com/museums. More great culture: citylore.org & serpentseye.com.
