About Green Map Icons

This globally designed visual language identifies, promotes and links environmental resources – both natural and cultural – through locally produced Green Maps. A fresh perception of the city is created, and our icons help spread greening initiatives around the world. These award-winning icons are the heart of our eco-info collaboration. See the resulting maps, info on participating and more at our website.

Culture & Design

- Cultural site
- Museums / Institution
- Art spot
- World music
- Historical feature
- Traditional way of life
- Ecodesign / planning feature
- Eco building
- Significant building
